

Admdt. dated Oct. 31, 2005

REMARKS/ARGUMENTS

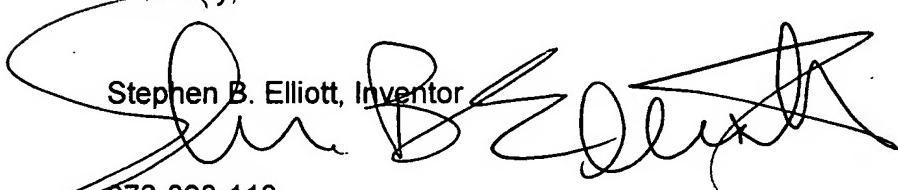

This amendment proposes the revision, deletion, and addition of claims to those specified in the original application of September 02, 2004.

The inventor asserts that these modifications to claims are made for the purpose of clarity, specificity, correctness, and thoroughness, and are firmly within the context of the original specification and claims intent. The inventor respectfully requests a timely Notice of Allowance be issued in this case.

Thank you for your consideration of the matter.

Sincerely,

Stephen B. Elliott, Inventor
